MIDDLE CLASS SCHOLARSHIP

Starting in the 2014-15 academic year, the Middle Class Scholarship (MCS) is available to University of California or California State University undergraduate students with family incomes up to \$150,000. Scholarship amounts vary by student and institution. The scholarship is being phased in and in four years will increase up to 40 percent of the mandatory systemwide tuition and fees.

Eligibility requirements can be found at **www.csac.ca.gov**.

Applicants must submit a FAFSA (Free Application for Federal Student Aid) online at **www.fafsa.gov** or California Dream Act Application at **www.caldreamact.org**.

See page 4 for application information.

FINANCIAL AID BASICS

Financial aid is available to manage the cost of attending college or training after high school. Think of it this way: First, take the cost to attend, then subtract the free money – grants and scholarships – and that will give you the “Net Cost” to attend college. Then, look for options to pay the net cost. Look for grant and scholarship money first; that money doesn’t need to be repaid. If needed, consider loans; however, loans must be repaid with interest.

Depending on need, financial aid may cover tuition, fees, books, rent, food, transportation and other living expenses – even for part-time students. Learn more at **www.studentaid.ed.gov**.

FINANCIAL AID TIMELINE AND CHECKLIST

FALL OF SENIOR YEAR

Explore & Compare

- Talk to your high school counselor about your college plans and financial needs. Ask about scholarships offered by local organizations and businesses.
- Browse the Web for college and career planning tips (see back cover).
- Use cost calculators to help you determine the cost of education at a particular school. Schools are required to have these calculators available to you online.

Prepare

- Focus on your grades and graduation requirements.
- Search online for scholarships (see back cover).
- Attend your school's fall financial aid workshops.
- Ask if your school will submit your verified Cal Grant GPA electronically, or if you'll need to submit it using the paper Cal Grant GPA Verification Form, located at www.calgrants.org.

BEGINNING IN JANUARY

Free Help

- Free financial aid is available: never pay for the FAFSA or to have it completed for you. Attend a free Cash for College workshop in January or February for help completing the FAFSA or CA Dream Act Application and other forms. For dates and locations, go to www.californiacashforcollege.org.

Keep it Together

- Keep all of your FAFSA or CA Dream Act and Cal Grant online account information in one place for easy access.

Apply

- Submit your FAFSA or CA Dream Act Application and verified Cal Grant GPA after January 1 and before **March 2***. If your parents (or you) haven't yet completed a federal tax return, use estimates. Make updates or corrections later.
- After you submit a FAFSA, review your Student Aid Report (SAR) for eligibility.

Deadlines

- Apply for a Cal Grant by the **March 2*** deadline.
- Check with each college you're considering about other financial aid deadlines and mark your calendar.

Track your Cal Grant

- After you've completed your FAFSA or CA Dream Act Application, visit www.webgrants4students.org to open your very own Cal Grant account. You can review your California Aid Report (CAR), which you'll receive in an email notification after you apply and are approved for a Cal Grant. You can make corrections and updates on final school choice and confirm your high school graduation.

SPRING/ SUMMER

Evaluate & Compare

- Watch and respond to college acceptance letters and financial aid offers.
- Review financial aid offers carefully; ask questions. Use the "Compare Your Aid Awards" tool at www.bigfuture.collegeboard.org.
- Consider grants, scholarships, work-study and other aid you don't have to repay before accepting a student loan.
- If needed, borrow only what you need, and check out low-interest federal student loans at www.studentloans.gov.

START WITH THE FAFSA OR CALIFORNIA DREAM ACT APPLICATION

Go online and complete the **Free Application for Federal Student Aid**, or **FAFSA**. The FAFSA is the universal application for most financial aid for higher education. The federal government, states and colleges use the results to determine how much financial aid you may qualify to receive.

California students who have applied for or received approval for Deferred Action for Childhood Arrivals (DACA) should complete the California Dream Act Application, not the Free Application for Federal Student Aid (FAFSA).

The FAFSA and California Dream Act Applications require information about you, your family, your finances and your college plans.

GET FREE HELP

Students can get help applying for financial aid
